ABOUT THE COMPANY

El Queue Enterprises was established in the year 2002 as a single proprietorship entity. At the start of the millennium, El Queue was initially involved in different small business ventures.

Over the years, El Queue widened its umbrella of businesses to entail new operations and partnered with leading names in business specific industries.

Today, El Queue reinvents itself as a family operated entity and envisions to establishing a world-class company, one in which entrepreneurial excellence is the norm.

El Queue's team and contacts are strategically placed in the Philippines, where business trading is optimum.

With the aim to align itself with the country's best, El Queue commits to be the lead provider of premium products and incomparable services within the local and international markets.

VISION

Guided by principles of excellence, service, and reliability, we aim to set industry standards, foster trust through quality, innovation, and integrity. Our goal is to become the benchmark of excellence, ensuring every interaction embodies our unwavering commitment to exceptional service and reliability.

Our commitment is to deliver exceptional value to our clients, employees, and communities, driving sustainable growth and prosperity for all

MISSION

- With a focus on efficiency, reliability, and innovation. our mission is to streamline supply chains, delivering seamless solutions that exceed expectations and drive success for our clients.
- We aim to optimize every link in the chain, ensuring timely delivery of quality products and services.
- Committed to fostering strong partnerships and embracing sustainable practices, we strive to be the trusted backbone of our clients' operations, empowering them to thrive in a dynamic marketplace."

LEO S. QUIRINO
PROPRIETOR

OUR LEADERS

Drawing from an extensive business trading experience, Leo possesses a fine understanding of global markets, supply chains, and trade dynamics. This expertise enables him to identify emerging opportunities, mitigate risks, and drive sustainable growth strategies that maximize profitability and create long-term value for stakeholders.

Additionally, Leo's journey in the construction industry began with hands-on experience in the field, where he gained invaluable insights into the practical aspects of project planning. Over the years, he had honed his skills in project management, budgeting, scheduling, and stakeholder coordination.

HAYDEE M. QUIRINO
MANAGING DIRECTOR

Haydee is responsible for overseeing over-all business operations, setting strategic goals that align with El Queue's business requirements.

Haydee propels growth and encourages innovation through strong leadership and a strategic vision, positioning the company as an industry frontrunner.

THEA Q. TRIA
OPERATIONS MANAGER

Thea is responsible for overseeing day to day operations, ensuring projects are completed on time, within budget, and to the highest quality standards.

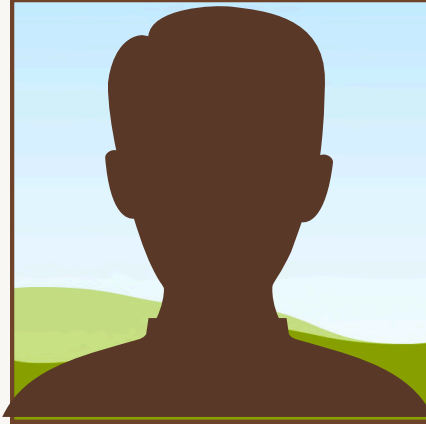

Thea comes with a wealth of experience in the construction, supply and distribution, and systems certification industry.

MEET OUR TEAM

El Queue is comprised of a group of skilled professionals responsible for steering the company towards its objectives. The team includes individuals overseeing various key functions such as administration and human resources, finance, marketing, and projects. Together, they collaborate to set strategic goals, make critical decisions, allocate resources effectively, and ensure the smooth functioning of the organization. With diverse expertise and a unified vision, the management team plays a vital role in driving innovation, managing risk, and achieving sustainable growth for the enterprise.

CORE GROUP & SUPPORT TEAM

As a family-owned business, El Queue’s chain of command typically follows a hierarchical structure. The owners take the lead in the decision making, followed by senior members of the family who hold key management and lead positions. This well established delegation of authority facilitates communication, strategies and decision-making, and conflict resolution which contributes to the overall stability and success of the business.

A support team composed of external recruits provides essential services to ensure smooth and efficient operations. By managing daily administrative and logistical duties, El Queue Support contributes to organizational productivity and effectiveness.
